

## Talanta Comments & Suggestions

- Change name - Pick from following suggestions ; Hook Digital Spotlight, NextUp Talent , The Talent Room, DreamStage , Talent Hook , GlobalTalentHub. To replace all sections and/or aspects that refer to Talanta

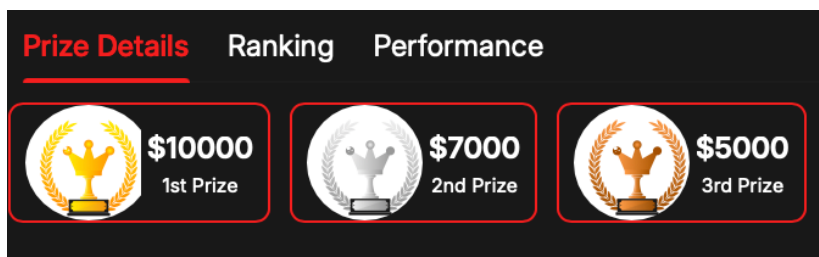

The screenshot shows a dark-themed modal window titled "Complete Your Profile" with a close button (X). It contains a file upload section with a "Choose File" button and the text "no file selected". Below this are labels for "Upload Image" and "Country". The "Country" dropdown menu is open, showing "South Africa" as the selected option. At the bottom is an "Update" button.

- Since it's going to be country based, the platform will auto assign a specific country based on where it's integrated to in order to skip the step above.
- Categories : Singing Challenge, Comedy , Rap Battles , Kids , Dance & Choreography , Fashion/ Model , Quiz
- Is there an admin side to this platform? / How will all these videos be hosted?

The screenshot shows a dark-themed user profile page. At the top is a banner image of a person running with the text "Total Votes 14". Below the banner is a grey button with a "VOTE" icon and the text "Voted". Underneath are three lines of text: "Year of Experience : music art", "Group Member : \"hendrick\"", and "Join Date : 10 November 2024". At the bottom is a white-bordered box containing the text "Total Rounds : 1", "Current Round :", "Voting Will Closed In", a timer showing "0 : 0 : 0", "Competition End On", and "14 November 2024".

- Competition had ended and voting was closed but still managed to vote.
- We will have to change the sign up process when integrating with MNO
- Change names such as Bongo Flava, Cheza & Cheka as that is not big in Kenya and they identify more with English. Needs to be simple, and in English
- Change pictures to match categories
- Clarify what new performance means? - Why not put the trending performances that are getting the highest votes and engagement
- Can you link this with Tiktok? So that one may save space, users will then add their tiktok link for the video on the platform (Open for discussion) - we can incorporate both options giving users more ways to upload content

- Change prize details above to KES
- Ranking, even if one is ranked 105, I should still see myself on the leaderboard of the top 20 in order to give one an incentive to improve their ranking
